## **DETAILED ACTION**

## Allowable Subject Matter

- 1. Claims 1, 3, 5-11, 13, 15-21, 23, 25-30 are allowed.
- 2. The following is an examiner's statement of reasons for allowance:

The limitations of independent claims 1, 11, and 21 do not appear to be found the prior art of record.

The Prior Art does not teach nor suggest in the claimed combination: "sending, by the arbiter to the requestor, a unique identifier tag associated with the selected request and a strobe signal indicating that the selected request is being serviced by a memory controller, so that the requestor is informed as to the order in which the request from the requestor is being serviced".

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
